Before hiring a contractor or any service personnel, it is imperative that residents review the following guidelines:

1. Always get references.

2. Always get written estimates and specifications.

3. Establish a payment schedule. Never pay it all up front.

4. Always watch out for deals that are "too good to be true."

5. Get more than one bid for your project.

6. Check with the Connecticut Dept. of Consumer Protection (860-713-6100) to see if there are any negative reports regarding a vendor.
