

As you've all been hearing for a long time, we are expanding our website tools. We are now ready to introduce you to our new websites. These sites enhance our access to more robust and timely information from the office and from each other. Please see a summary below.

Effective 10/1, our updated Oronoque Village website will be live. The address is unchanged: <https://www.oronoquevillage.com>. The public side, accessible to anyone, has more information about our community than previously offered. When you log in to the updated Oronoque Village resident's/private side, use your current user name and password.

### **Highlights of ORONOQUEVILLAGE.COM**

- OV news, announcements, and notifications from the Business Office
- The Directory – a link to the FrontSteps Portal for what was our former Address Book
- Events – Ads – Calendar – this lists social events and links to the new Calendar on the Portal
- Organizations – all of our clubs and associations
- Maintenance – where you can submit a Service/Work order request
- Staff – where you can find the staff's contact information
- OV Gov't Information – boards, committees, by-laws, rules & regs, etc.  
OV Governing Board, District and Tax Board contacts
- Documents & Forms
- Communications –OVTV, the new LINKS site, OV Connections/Facebook and the Villager – current and archived issues, due dates, guidelines

Note: You may log into FrontSteps from the home page of oronoquevillage.com or via links from different pages on the site to specific pages on FrontSteps.

### **HIGHLIGHTS of The FRONTSTEPS Portal**

The FrontSteps site – [www.oronoquevillage1.frontsteps.com](http://www.oronoquevillage1.frontsteps.com) - was launched several years ago to give the OV business office and residents improved and timely communications. There you will find:

- An updated calendar of what's happening, updated daily
- The Directory of residents – sortable by first name, last name, street, street number ....
- The ability to submit a reservation request to reserve clubhouse or court space
- Forms (i.e., architectural, complaints, etc.) which will be uploaded as we move forward
- The ability to review your financial payments to the Village
- A place to post classified ads

Note: You must register on FrontSteps when you first use it. You may register by clicking on the link in the invitation you received from the office, or, by using the link from the oronoquevillage.com home page. It is important when entering your personal information, under the "privacy settings" that you click "show your information" so your name and contact information will appear in the Directory.

We trust that these new websites will serve our Village's communications needs well. We wish you the best as you become familiar with these new sites.

Questions? Contact your District FrontSteps Portal Pal or Mary W. von Ziegesar ([MvonZ@optonline.net](mailto:MvonZ@optonline.net)) or the office.
