

The In Tribute Book was initiated in 2012 by the Memorial Plaque Committee, consisting of Mel Holson, Linda Libertino, Jim Manzolli, Barbara Minoff, Loretta Sills and John Staley. This ad hoc committee was charged (by the OVCA Board) with creating a way in which departed residents can be publicly honored by their loved ones.

Inclusion in the In Tribute Book requires a contribution of \$250 or more to Oronoque Village. Contributors are allowed one page in the book to include photos and/or text honoring their deceased loved ones. The names of those residents listed in the book also are named in a Virtual Honor Roll on the OV website, as listed below.

Currently, the book recognizes:

**Laura (Schachter) Diamond**
