

Oronoque Village Pickleball Club 2024

Welcome to the Oronoque Village Pickleball Club (OVPC). While the pickleball courts are open to all residents (we have five hard-surface courts available for play), club members receive additional benefits such as: dedicated court time, paddles and balls available for use, and other members to play with. In addition to game play, the club offers social events throughout the year to all its members.

Mission Statement for OV Pickleball Club:

The Oronoque Village Pickleball Club’s mission is to promote exercise and community by organizing pickleball play and hosting social events.

Club Playtime Sign Up:

When you become a member you will download the free app **TeamReach** (accessible on your phone) and be provided with our **club code** to request to join the OVPC site. Once you have been granted access, you will be able to see the date/time club playtime is scheduled, sign up to play, and see names of other members signed up. Residents who are not OVPC members may use the courts during non-club schedule playtime.

Where to Buy Equipment:

While we have paddles and balls for club members to use, which are stored in the shed at the courts, most members purchase their own paddles once they begin to play regularly. The club has been buying equipment at pickleballcentral.com where you receive a 5% discount and the Club receives a 5% credit for your purchase. Use the codes below.
