

Pool Facilities Committee Report
April 2024

Work is underway in getting the Pools ready for their Memorial Day weekend opening. The North Pool was being pressure washed recently, with the South Pools soon to be drained for their cleaning.

Opening day of the 2024 Pool Season will be on Saturday May 25th of the Memorial Day weekend with the Children's designated Pool starting on the South Side. The South Pools are open from 8:30 AM until 8:30 PM with the North Pool open from 9 AM until 8:30 PM daily.

The North Pool will close at the end of day on Monday September 2nd which is Labor Day. The South Pools will close at the end of day Sunday September 22nd.

Lastly

In order to reduce the Pool expense line item on the new budget, I went around asking Villagers for a small contribution towards the maintaining of our pools. District 5 rep Bob McDonald was kind enough to help out. He gave me a bottle of water.
